NOTICE OF DATA BREACH

Dear <<First Name>>:

Insurance Office of America (“IOA”) values and respects the privacy of your information, which is why we are writing to inform you of a recent security incident that may have involved some of your information. IOA provides insurance-related services to a variety of organizations, including carriers, health plans, and employers (“IOA Customers”). In connection with providing these services, IOA receives, processes, and maintains information that may include personally identifiable information and, in certain circumstances, protected health information (collectively, “personal information”), necessary for insurance policies, claims processing, and benefit programs. This letter contains information about what happened, the steps we have taken in response, and actions you can take to help protect your information.

WHAT HAPPENED?

On June 30, 2025, IOA discovered that certain internal systems had been affected by a security incident. We immediately initiated a comprehensive investigation with the assistance of external cybersecurity experts. Based on this investigation, we determined that an unauthorized party gained access to our network as a result of a phishing email attack. The investigation also determined that, between June 25, 2025 and June 30, 2025, certain data stored on these systems may have been accessed or acquired by the unauthorized party.

As part of our investigation and response, we conducted a thorough review of the affected files. Given the nature and complexity of the data involved, IOA worked diligently with a dedicated review team, including internal and external experts, to conduct a detailed analysis of the affected files to identify whether they contained personal information. In addition, IOA was required to provide notification to certain IOA Customers and obtain their approval before notifying you. We are providing you with this notice upon the conclusion of this time-intensive data analysis and approval process, as your personal information was contained in the affected files.

WHAT INFORMATION WAS INVOLVED?

The personal information potentially affected included your full name and <<Variable data 1>>. <<Variable data 2>>

WHAT WE ARE DOING.

Upon discovering the incident, IOA took immediate steps to contain the event and confirm the security of our network environment. Although we have no indication of identity theft or fraud in relation to this event, to help relieve concerns and restore confidence following this incident, we have arranged for you to enroll in complimentary credit

monitoring services for 24 months, at no cost to you, through Epiq. A description of this service and instructions on how to enroll can be found within the enclosed "Other Important Information" document.

WHAT YOU CAN DO.

Please review the enclosed "Other Important Information" document for further steps you can take to protect your information, including recommendations by the Federal Trade Commission regarding identity theft protection and details on how to place a fraud alert or security freeze on your credit file. It is also recommended that you remain vigilant for incidents of fraud and identity theft by reviewing your account statements and monitoring your credit reports for unauthorized activity. If you discover any suspicious or unusual activity on your accounts, you should promptly notify the financial institution or company with which your account is maintained.

FOR MORE INFORMATION.

If you have questions or need assistance, please call our dedicated incident response line at 855-815-3927 between 8:00 a.m. and 8:00 p.m. Central Time, Monday through Friday, excluding holidays.

Sincerely,

A handwritten signature in black ink, appearing to read "John Woods", written in a cursive style.

OTHER IMPORTANT INFORMATION

Free Credit Report. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the nationwide credit reporting agencies. Box 105281, Atlanta, GA 30348-5281. Fraud Alert. You have the right to place an initial or extended "fraud alert" on your file at no cost by contacting any of the nationwide credit reporting agencies. Contact information for the national credit reporting agencies for the purposes of placing a fraud alert on your file is provided below. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert displayed on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. For this reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. If you are a victim of identity theft and have filed an identity theft report with law enforcement, you may want to consider placing an extended fraud alert, which lasts for 7 years, on your credit file.

Security Freeze. You have the right to place, lift, or remove a "security freeze" on your credit report, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. Under federal law, you cannot be charged to place, lift, or remove a security freeze. You must place your request for a freeze separately with each of the consumer reporting agencies. To place a security freeze on your credit report, you may do so by contacting each of the consumer reporting agencies through the contact information below:

- **Equifax**, PO Box 105788, Atlanta, GA 30348-5788, www.equifax.com/personal/credit-report-services/credit-freeze, 1-800-298-0045
- **Experian**, PO Box 9554, Allen, TX 75013, www.experian.com/freeze/center.html, 1-888-397-3742

- **Innovis**, PO Box 26, Pittsburgh, PA 15230-0026, www.innovis.com/personal/securityFreeze, 1-800-540-2505

In order to request a security freeze, you will need to provide some or all of the following information to the credit reporting agency, depending on whether you do so online, by phone, or by mail (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past 5 years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have 1 business day after receiving your request by toll-free telephone or secure electronic means, or up to 3 business days after receiving your request by mail, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within 5 business days and may provide you with a unique personal identification number (PIN) or password (or both) that can be used by you to authorize the removal or lifting of the security freeze. It is important to maintain this PIN/password in a secure place, as you will need it to lift or remove the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, or to lift a security freeze for a specified period of time, you must submit a request through a toll-free telephone number, a secure electronic means maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to the credit reporting agencies and include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze as well as the identity of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have 1 business day after receiving your request by

toll-free telephone or secure electronic means, or 3 business days after receiving your request by mail, to lift the security freeze for those identified entities or for the specified period of time.

To remove the security freeze, you must submit a request through a toll-free telephone number, a secure electronic means maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to each of the credit bureaus and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have 1 business day after receiving your request by toll-free telephone or secure electronic means, or 3 business days after receiving your request by mail, to remove the security freeze.
