Posillico also reported this incident to the FBI's Internet Crime Complaint Center and will cooperate with any resulting investigation.

Posillico provided notified individuals with information about steps they can take to protect their personal information, and offered them access to complimentary identity monitoring services. Posillico also established a toll-free call center through IDX, a leader in risk mitigation and response, to answer any questions about the incident and address related concerns.

**2. Activate the credit monitoring** provided as part of your IDX identity protection membership. The monitoring included in the membership must be activated to be effective. Note: You must have established credit and access to a computer and the internet to use this service. If you need assistance, IDX will be able to assist you.

**3. Telephone.** Contact IDX at 1-833-837-3805 to gain additional information about this event and speak with knowledgeable representatives about the appropriate steps to take to protect your credit identity.

**Review Your Account Statements and Notify Law Enforcement of Suspicious Activity:** As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (the "FTC").

**Copy of Credit Report:** You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You also can contact one of the following three national credit reporting agencies:

**Equifax**

P.O. Box 105851  
Atlanta, GA 30348  
1-800-525-6285  
[www.equifax.com](http://www.equifax.com)

**Experian**

P.O. Box 9532  
Allen, TX 75013

[www.experian.com](http://www.experian.com)

**TransUnion**

P.O. Box 1000  
Chester, PA 19016  
1-800-916-8800  
[www.transunion.com](http://www.transunion.com)

**Fraud Alert:** You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

**Security Freeze:** You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

**Additional Free Resources:** You can obtain information from the consumer reporting agencies, the FTC, or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state.
