HOW TO ENROLL IN CREDIT MONITORING

As noted above, we have arranged for you to enroll, at no cost to you, in an online three-bureau credit monitoring service (*myTrueIdentity*) for two years provided by TransUnion Interactive, a subsidiary of TransUnion®, one of the three nationwide credit reporting agencies.

- To enroll in this service, go to the myTrueIdentity website at **mytrueidentity.com** and in the space referenced as “Enter Activation Code”, enter the following unique 12-letter Activation Code [REDACTED] and follow the three steps to receive your credit monitoring service online within minutes.
- If you do not have access to the Internet and wish to enroll in a similar offline, paper based, credit monitoring service, via U.S. Mail delivery, please call the TransUnion Fraud Response Services toll-free hotline at [REDACTED]. When prompted, enter the following 6-digit telephone pass code [REDACTED] and follow the steps to enroll in the offline credit monitoring service, add an initial fraud alert to your credit file, or to speak to a TransUnion representative if you believe you may be a victim of identity theft.
- Once you are enrolled, you will be able to obtain two years of unlimited access to your TransUnion credit report and credit score. The three-bureau credit monitoring service will notify you if there are any critical changes to your credit files at TransUnion®, Experian®, and Equifax®, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The service also includes access to an identity restoration program that provides assistance in the event your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)
- You can sign up for the online or offline credit monitoring service anytime between now and **March 31, 2026**. Due to privacy laws, we cannot register you directly. Please note that credit monitoring services might not be available for individuals who do not have a credit file with TransUnion, Experian, or Equifax, or an address in the United States (or its territories) and a valid Social Security number. Enrolling in this service will not affect your credit score.
- **Special note for minors affected by this incident:** The same services referred to above may not be available to affected minors. As an alternative, parents/legal guardians can check to see if your child may be a victim of identity theft by using TransUnion's secure online form at **transunion.com/credit-disputes/child-identity-theft-inquiry-form** to submit your information so TransUnion can check their database for a credit file with your child's Social Security number. After TransUnion's search is complete, they will respond to you at the email address you provide. If they locate a file in your child's name, they will ask you for additional information in order to proceed with steps to protect your child from any impact associated with this fraudulent activity.

ADDITIONAL RESOURCES

Consistent with certain laws, we are providing you with the following information about steps that a consumer can take to protect against potential misuse of personal information.

You should remain vigilant for instances of fraud or identity theft over the next 12 to 24 months, including by regularly reviewing your account statements and monitoring credit reports. If you discover any suspicious or unusual activity on your accounts or suspect identity theft or fraud, you should report it immediately to your financial institution(s).

Federal Trade Commission. You may contact the Federal Trade Commission (FTC) or law enforcement, including your state Attorney General, to report incidents of identity theft or to learn about steps you can take to protect yourself from identity theft. To learn more, you can go to the FTC's Website, at ftc.gov/idtheft, call the FTC, at 877-IDTHEFT (438-4338), or write to:

Federal Trade Commission
Consumer Response Center
600 Pennsylvania Avenue, NW
Washington, D.C. 20580

In addition, you may obtain information from the FTC and the nationwide credit reporting agencies listed below about fraud alerts and security freezes.

Credit Reports. You may also periodically obtain credit reports from each nationwide credit reporting agency. Under the Fair Credit Reporting Act (FCRA), you are entitled to one free copy of your credit report every 12 months from each of the three nationwide credit reporting agencies. You may obtain a free copy of your credit report by going to annualcreditreport.com or by calling 877-322-8228.

You may contact the nationwide credit reporting agencies at:

Equifax
800-685-1111
P.O. Box 740241
Atlanta, GA 30374

TransUnion
800-680-7289
Fraud Victim Assistance Division
P.O. Box 2000
Chester, PA 19016

If you discover information on your credit report arising from a fraudulent transaction, you should request that the credit reporting agency delete that information from your credit report file. For further information about your rights under the FCRA, please visit:

files.consumerfinance.gov/f/201410_cfpb_summary_your-rights-under-fcra.pdf

Fraud Alert. You may place a fraud alert in your credit report file by contacting one of the three nationwide credit reporting agencies listed above. A fraud alert tells creditors that you may be the victim of fraud and to follow certain procedures, such as contacting you before they open any new accounts or make certain changes to your existing accounts.

Security Freeze. You also may place a security freeze on your credit report file to restrict access to your credit report. A security freeze is designed to prevent potential creditors from accessing your credit report unless you lift the freeze. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. To place a security freeze, you will need to provide the credit reporting agency with certain identifying information, including your full name, address, date of birth, Social Security number and other personal information.

After receiving your request, each credit reporting agency will send you a confirmation letter containing a unique PIN or password that you will need in order to lift or remove the freeze. You should keep the PIN or password in a safe place. There is no charge to place, lift or remove a security freeze.
