***Re: Notification of a Data Security Incident***

To Whom It May Concern:

We represent GiaCare, Inc. (“GiaCare”) and GiaMed Alliance JV, LLC (“GiaMed”) in connection with an incident that may have involved the personal information of certain New Hampshire residents. WAB is reporting the incident pursuant to N.H. Rev. Stat. Ann. § 359-C:20. This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to this submission. While GiaCare and GiaMed are providing notice of this incident, neither GiaCare nor GiaMed waives any rights or defenses relating to the incident, this notice, or the applicability of New Hampshire law on personal jurisdiction.

**NATURE OF THE INCIDENT**

On or about December 23, 2025, GiaCare was alerted to a vulnerability in the file-sharing platform of a third-party vendor, Gladinet CentreStack (“CentreStack”), used by GiaCare. Upon discovering the incident, GiaCare promptly worked closely with its IT security vendor to confirm the security of GiaCare’s systems. The security vendor confirmed that GiaCare’s systems had not been compromised. The incident was limited to an exploitation of a vulnerability in the CentreStack platform. The security vendor further determined that certain GiaCare files maintained in the CentreStack platform had been accessed and exfiltrated by an unauthorized third party on or about December 6, 2025. GiaCare has determined that the files contained the name, drivers’ license number and Social Security number of one (1) New Hampshire resident. At this time, GiaCare is not aware of any fraud or identity theft to any individual as a result of the incident.

## Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** By law, you may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies. The three national credit reporting agencies have also agreed to provide free weekly online credit reports. You can obtain your free credit report by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. **Fraud Alerts:** By law, you have the right to place a fraud alert on your credit report if you believe you have been, or are about to become, a victim of fraud or related crime. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com/protectYourIdentity.action](http://www.annualcreditreport.com/protectYourIdentity.action).

**Credit and Security Freezes:** By law, you have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
