This includes, but is not limited to, changing all user passwords and implementing a mandatory MFA for all users. Riddell has also reviewed and have taken steps to enhance their policies and procedures relating to the security of their systems and servers. Lastly, Riddell informed our law firm and to begin identifying the potentially affected individuals in preparation for notice upon completion of the investigation.

## **ADDITIONAL RESOURCES TO HELP PROTECT YOUR INFORMATION**

### **Monitor Your Accounts**

We recommend that you remain vigilant for incidents of fraud or identity theft by regularly reviewing your credit reports and financial accounts for any suspicious activity. You should contact the reporting agency using the phone number on the credit report if you find any inaccuracies with your information or if you do not recognize any of the account activity.

You may obtain a free copy of your credit report by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), calling toll-free at 1-877-322-8228, or by mailing a completed Annual Credit Report Request Form (available at [www.annualcreditreport.com](http://www.annualcreditreport.com)) to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report for a fee by contacting one or more of the three national credit reporting agencies.

You have rights under the federal Fair Credit Reporting Act (FCRA). The FCRA governs the collection and use of information about you that is reported by consumer reporting agencies. You can obtain additional information about your rights under the FCRA by visiting <https://www.ftc.gov/legal-library/browse/statutes/fair-credit-reporting-act>.

### **Credit Freeze**

You have the right to add, temporarily lift and remove a credit freeze, also known as a security freeze, on your credit report at no cost. A credit freeze prevents all third parties, such as credit lenders or other companies, whose use is not exempt under law, from accessing your credit file without your consent. If you have a freeze, you must remove or temporarily lift it to apply for credit. Spouses can request freezes for each other as long as they pass authentication. You can also request a freeze for someone if you have a valid Power of Attorney. If you are a parent/guardian/representative you can request a freeze for a minor 15 and younger. To add a security freeze on your credit report you must make a separate request to each of the three national consumer reporting agencies by phone, online, or by mail by following the instructions found at their websites (see “Contact Information” below). The following information must be included when requesting a security freeze: (i) full name, with middle initial and any suffixes; (ii) Social Security number; (iii) date of birth (month, day, and year); (iv) current address and any previous addresses for the past five (5) years; (v) proof of current address (such as a copy of a government-issued identification card, a recent utility or telephone bill, or bank or insurance statement); and (vi) other personal information as required by the applicable credit reporting agency.

### **Fraud Alert**

You have the right to add, extend, or remove a fraud alert on your credit file at no cost. A fraud alert is a statement that is added to your credit file that will notify potential credit grantors that you may be or have been a victim of identity theft. Before they extend credit, they should use reasonable procedures to verify your identity. Please note that, unlike a credit freeze, a fraud alert only notifies lenders to verify your identity before extending new credit, but it does not block access to your credit report. Fraud alerts are free to add and are valid for one year. Victims of identity theft can obtain an extended fraud alert for seven years. You can add a fraud alert by sending your request to any one of the three national reporting agencies by phone, online, or by mail by following the instructions found at their websites (see “Contact Information” below). The agency you contact will then contact the other credit agencies.

### **Federal Trade Commission**

For more information about credit freezes and fraud alerts and other steps you can take to protect yourself against identity theft, you can contact the Federal Trade Commission (FTC) at 600 Pennsylvania Avenue NW, Washington, DC 20580, [www.identitytheft.gov](http://www.identitytheft.gov), 1-877-ID-THEFT (1-877-438-4338), TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above.

You should also report instances of known or suspected identity theft to local law enforcement and the Attorney General’s office in your home state and you have the right to file a police report and obtain a copy of your police report.
