NOTICE OF DATA BREACH

Dear <<Full Name>>,

American Public Television is writing to inform you about a data-security event involving some of your personal information. We are providing this notice to give you information about what happened, what we are doing in response, and how you can enroll in our offer of free credit monitoring and identity-theft-protection services.

What Happened?

On September 8, 2025, we detected suspicious activity in a portion of our computer network. We promptly began working with third-party cybersecurity experts to investigate and remediate that activity. The investigation subsequently determined that an unauthorized third party gained access to a portion of our network from September 5 to September 8, 2025. We then identified the files impacted by this event and engaged a data-review firm to analyze the contents of those files. We received the results of that review on January 21, 2026, and have been working since then to ensure we have accurate contact information for notifying impacted individuals.

What Information Was Involved?

We determined that the impacted files contained some of your personal information, which may include your: <<Breached Elements>>.

What We Are Doing.

ADDITIONAL STEPS YOU CAN TAKE

Remain vigilant – We encourage you to remain vigilant for fraud or identity theft by reviewing your account statements and free credit reports. Contact your financial institution if you see errors or activity you don't recognize on your account statements. Get your free credit report by visiting www.annualcreditreport.com or calling (877) 322-8228. If you see errors on that report, contact the relevant consumer reporting agency:

- **Equifax.** PO Box 740241, Atlanta, GA 30374 | (800) 685-1111 | www.equifax.com
- **Experian.** PO Box 9701, Allen, TX 75013 | (888) 397-3742 | www.experian.com
- **TransUnion.** PO Box 2000, Chester, PA 19016 | (888) 909-8872 | www.transunion.com

You can find additional suggestions at www.IdentityTheft.gov. Consider also contacting the Federal Trade Commission for more details on protecting yourself from fraud or identity theft as well as fraud alerts and security freezes (both of which are discussed below). You can send a letter to the Federal Trade Commission at 600 Pennsylvania Ave. NW, Washington, DC 20580; call them at (877) 438-4338; or visit their website, www.ftc.gov.

Consider placing a fraud alert or security freeze on your credit file – Consumer reporting agencies have tools you can use to protect your credit, including fraud alerts and security freezes.

- A fraud alert is a cautionary flag you can place on your credit file to notify companies extending you credit that they should take special precautions to verify your identity. You can contact any of the three consumer reporting agencies to place fraud alerts with each agency. The alert lasts for one year, but you can renew it.
- A security freeze is a more dramatic step that will prevent others from accessing your credit report, which makes it harder for someone to open an account in your name. You must contact each consumer reporting agency separately to order a security freeze, and they may require you to provide them with your full name, Social Security number, date of birth, and current and prior addresses. There is no charge for requesting a security freeze.

Report suspicious activity – If you believe you are the victim of fraud or identity theft, consider notifying your attorney general or the Federal Trade Commission. You also have the right to file a police report and request a copy of that report.

Review the Fair Credit Reporting Act – You also have certain rights under the Fair Credit Reporting Act (FCRA), including the right to know what is in your file, to dispute incomplete or inaccurate information, and to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information. For more information about the FCRA, and your rights pursuant to the FCRA, please visit: www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf.

Consider additional helpful resources – Your state attorney general may have more information on fraud alerts, security freezes, and steps to protect yourself from fraud or identity theft.
