Re: Notice of Law Firm Security Incident

Dear _____ :

Mercedes-Benz USA, LLC (“MBUSA,” “we” or “us”) is notifying you of a recent security incident impacting our former legal services provider, Weinberg, Wheeler, Hudgins, Gunn & Dial, LLC (“WWHGD” or the “Law Firm”), that involved your personal information. MBUSA systems were not affected.

We have no evidence at this time of any identity theft or fraud occurring as a result of this incident, but we are sending this letter to:

- Communicate what happened.
- Identify the personal information involved.
- Provide details on how to enroll in 24 months of identity monitoring and theft resolution services we are offering to you at no charge.

What Happened? On December 1, 2025, MBUSA identified a potential security incident impacting legal records hosted by WWHGD. MBUSA notified WWHGD of the issue and asked them to investigate. WWHGD promptly secured the impacted system, disabling all external access. WWHGD launched an investigation, working alongside cybersecurity advisors, to determine what information was involved. MBUSA also reported this incident to federal law enforcement. The investigation has revealed that on or around November 25, 2025, an unauthorized third party downloaded files hosted by WWHGD that contained some of your personal information. This is information that was processed by WWHGD in connection with its representation of MBUSA in legal matters.

What We Are Doing. MBUSA has endeavored to ensure that WWHGD conducted a thorough investigation, reviewed affected records diligently, and affirmed that appropriate steps have been taken to secure WWHGD systems storing MBUSA records. We are notifying individuals now that WWHGD has completed its review and reported that the files included your personal information. As a result, we are offering you complimentary credit monitoring and fraud assistance services provided by Cyberscout, a TransUnion company, at no charge for 24 months.

What Information Was Involved? Your name, along with driver's license number.

What You Can Do? We have enclosed an Identity Protection Reference Guide that includes information on general steps you can take to monitor and protect your personal information. You will also find enrollment instructions for Cyberscout if you are interested in these services.

For More Information. If you have any questions or concerns, please reach out to _____ for more information. Representatives are available between the hours of 8:00 a.m. to 8:00 p.m. Eastern time, Monday through Friday, excluding holidays.

Sincerely,

Mercedes-Benz USA, LLC

IDENTITY PROTECTION REFERENCE GUIDE

1. Review your Credit Reports. We recommend that you monitor your credit reports for any activity you do not recognize. Under federal law, you are entitled every 12 months to one free copy of your credit report from each of the three major credit reporting companies. To order your free annual credit report, visit www.annualcreditreport.com, call toll-free (877) 322-8228, or complete the Annual Credit Report Request Form on the U.S. Federal Trade Commission's ("FTC") website at www.ftc.gov and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. The three credit bureaus provide free annual credit reports only through the website, toll-free number or request form.

If you see anything in your credit report that you do not understand, call the credit bureau at the telephone number on the report. You should notify the credit bureaus of any inaccuracies in your report, whether due to error or fraud, as soon as possible so the information can be investigated and, if found to be in error, corrected. If there are accounts or charges you did not authorize, immediately notify the appropriate credit bureau by telephone and in writing.

2. Place Fraud Alerts. You can place a fraud alert at one of the three major credit bureaus by phone and also via Experian's or Equifax's website. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. Please note that placing a fraud alert may delay you when seeking to obtain credit. You can learn more about fraud alerts by contacting the credit bureaus or by visiting their websites:

Equifax	Experian	TransUnion
https://www.equifax.com/personal/credit-report-services/	https://www.experian.com/help/	https://www.transunion.com/credit-help
1-888-298-0045	1-888-397-3742	1-800-888-4213
Equifax Fraud Alert, P.O. Box 105069	Experian Fraud Alert, P.O. Box 9554, Allen, TX 75013	TransUnion Fraud Alert, P.O. Box 2000, Chester, PA 19016
Atlanta, GA 30348-5069	Experian Credit Freeze, P.O. Box 9554, Allen, TX 75013	TransUnion Credit Freeze, P.O. Box 160, Woodlyn, PA 19094
Equifax Credit Freeze, P.O. Box 105788		
Atlanta, GA 30348-5788		

It is only necessary to contact one of these bureaus and use only one of these methods. As soon as one of the three bureaus confirms your fraud alert, the others are notified to place alerts on their records as well. You should receive confirmation letters in the mail and will then be able to order all three credit reports, free of charge, for your review.

3. Place Security Freezes. By placing a security freeze, someone who fraudulently acquires your personally identifying information will not be able to use that information to open new accounts or borrow money in your name. Federal and state laws prohibit charges for placing, temporarily lifting, or removing a security freeze. Keep

in mind that when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze.

To place a security freeze, you must contact each of the three national credit reporting bureaus listed above and provide the following information: (1) your full name; (2) your social security number; (3) date of birth; (4) the addresses where you have lived over the past two years; (5) proof of current address, such as a utility bill or telephone bill; (6) a copy of a government issued identification card; and (7) if you are the victim of identity theft, include the police report, investigative report, or complaint to a law enforcement agency. If the request to place a security freeze is made by toll-free telephone or secure electronic means, the credit bureaus have one business day after receiving your request to place the security freeze on your credit report. If the request is made by mail, the credit bureaus have three business days to place the security freeze on your credit report after receiving your request. The credit bureaus must send confirmation to you within five business days and provide you with information concerning the process by which you may remove or lift the security freeze.

4. Monitor Your Account Statements. We encourage you to carefully monitor your financial account statements for fraudulent activity and report anything suspicious to the respective institution or provider.

5. You can also further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, your state Attorney General, or the Federal Trade Commission (FTC).
