Re: Notice of Data Incident

Dear Sir or Madam:

I am writing on behalf of my client, Champion Manufacturing, Inc. dba Champion Healthcare (“Champion”), to notify you of a cybersecurity incident.

In late January 2026, Champion detected suspicious activity on its internal corporate systems, which Champion determined to be the result of a cybersecurity incident. Champion immediately began an investigation, engaged third-party cybersecurity experts, and notified law enforcement. The investigation found that an unauthorized party accessed certain Champion internal corporate systems and obtained certain files in late January 2026. Champion then conducted a thorough review of those files to identify individuals whose personal information may have been contained therein.

Champion completed its review of the data and identified personal information belonging to individuals, including names and one or more of the following: Social Security number, driver’s license number, passport number, military or other federal identification number, visa or immigration information, and health or medical information.

Today, May 8, 2026 Champion will begin mailing a notification letter to one New Hampshire resident. Champion is offering 24 months of complimentary credit monitoring and fraud protection services to the affected individual. Champion is also providing a toll-free telephone number for the individual to call with any questions regarding the incident. A copy of the notification letter is attached.

To help prevent a similar occurrence in the future, Champion has implemented, and continues to implement, additional measures intended to further strengthen the security of its systems and data.

If you have any questions or need further information regarding the incident, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chris Cwalina'.

Chris Cwalina

Information About Identity Theft Protection Guide

Contact information for the three nationwide credit reporting companies is as follows:

Equifax	Experian	TransUnion
Phone: 1-800-685-1111 P.O. Box 740256 Atlanta, Georgia 30348 www.equifax.com	Phone: 1-888-397-3742 P.O. Box 9554 Allen, Texas 75013 www.experian.com	Phone: 1-833-799-5355 P.O. Box 2000 Chester, PA 19016 www.transunion.com

Free Credit Report. We remind you to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. If you identify any unauthorized charges on your financial account statements, you should immediately report such charges to your financial institution. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

For Colorado, Georgia, Maine, Maryland, Massachusetts, New Jersey, Puerto Rico, and Vermont residents: You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

Security Freeze. Security freezes, also known as credit freezes, restrict access to your credit file, making it harder for identity thieves to open new accounts in your name. You can freeze and unfreeze your credit file for free. You also can get a free freeze for your children who are under 16. And if you are someone's guardian, conservator or have a valid power of attorney, you can get a free freeze for that person, too.

How will these freezes work? Contact all three of the nationwide credit reporting agencies – Equifax, Experian, and TransUnion. If you request a freeze online or by phone, the agency must place the freeze within one business day. If you request a lift of the freeze, the agency must lift it within one hour. If you make your request by mail, the agency must place or lift the freeze within three business days after it gets your request. You also can lift the freeze temporarily without a fee.

The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement.

It is essential that each copy be legible, display your name and current mailing address, and the date of issue.

For New Mexico residents: You may obtain a security freeze on your credit report to protect your privacy and ensure that credit is not granted in your name without your knowledge. You may submit a declaration of removal to remove information placed in your credit report as a result of being a victim of identity theft. You have a right to place a security freeze on your credit report or submit a declaration of removal pursuant to the Fair Credit Reporting and Identity Security Act. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

Fraud Alerts. A fraud alert tells businesses that check your credit that they should check with you before opening a new account. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

Federal Trade Commission and State Attorneys General Offices. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft. You may contact the Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).

Para solicitar su informe de crédito gratuito anual, visite www.annualcreditreport.com o llame al número gratuito 1-877-322-8228. También puede solicitar su informe crediticio anual gratuito enviando por correo el formulario de solicitud de informe crediticio anual debidamente cumplimentado (disponible en el sitio web de la Comisión Federal de Comercio de EE. UU. ("FTC") en www.consumer.ftc.gov) a: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

Deben ponerse en contacto directamente con cada una de las agencias de información crediticia para obtener dichos informes adicionales.

Congelación de seguridad. Las congelaciones de seguridad, también conocidas como congelaciones de crédito, restringen el acceso a su expediente crediticio, lo que dificulta que los ladrones de identidad abran nuevas cuentas a su nombre. Puede congelar y descongelar su expediente crediticio de forma gratuita. También puede obtener una congelación gratuita para sus hijos menores de 16 años. Y si es tutor legal, conservador o tiene un poder notarial válido de alguien, también puede obtener una congelación gratuita para esa persona.

¿Cómo funcionan estas congelaciones? Póngase en contacto con las tres agencias de información crediticia a nivel nacional: Equifax, Experian y TransUnion. Si solicita una congelación en línea o por teléfono, la agencia debe aplicarlo en el plazo de un día hábil. Si solicita que se levante la congelación, la agencia debe hacerlo en el plazo de una hora. Si realiza su solicitud por correo, la agencia debe aplicar o levantar la congelación en el plazo de tres días hábiles tras recibir su solicitud. También puede levantar la congelación temporalmente sin coste alguno.

Al solicitar una congelación de seguridad, debe incluir la siguiente información (tenga en cuenta que, si solicita un informe crediticio para su cónyuge, también deberá facilitar esta información en su nombre): (1) nombre completo, con la inicial del segundo nombre y cualquier sufijo; (2) número de Seguro Social; (3) fecha de nacimiento; (4) dirección actual y cualquier dirección anterior de los últimos cinco años; y (5) cualquier informe de incidente o denuncia pertinente ante un organismo policial o el Registro de Vehículos Motorizados. La solicitud también debe incluir una copia de un documento de identidad expedido por el gobierno y una copia de una factura reciente de servicios públicos o de un estado bancario o de seguro.

Es esencial que cada copia sea legible, muestre su nombre y dirección postal actual, así como la fecha de emisión.

Para los residentes de Nuevo México: Puede solicitar una congelación de seguridad de su informe crediticio para proteger su privacidad y asegurar que no se conceda crédito a su nombre sin su conocimiento. Puede presentar una declaración de eliminación para eliminar la información incluida en su informe crediticio como consecuencia de haber sido víctima de un robo de identidad. Tiene derecho a solicitar un bloqueo de seguridad de su informe crediticio o a presentar una declaración de eliminación de conformidad con el Acta de Reporte del Crédito Justo y Seguridad de la Identidad. Para obtener más información, incluida información sobre derechos adicionales, visite www.consumerfinance.gov/learnmore o escriba a: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

Alertas de fraude. Una alerta de fraude indica a las empresas que comprueban su crédito que deben consultar con usted antes de abrir una nueva cuenta. Una alerta de fraude inicial permanece en su informe crediticio durante un año. Puede solicitar que se incluya una alerta prolongada en su informe crediticio si ya ha sido víctima de un robo de identidad y dispone de la documentación acreditativa correspondiente. Una alerta de fraude prolongada permanece en su informe crediticio durante siete años. Para incluir una alerta de fraude en sus informes crediticios, póngase en contacto con una de las agencias de crédito nacionales. La alerta de fraude es gratuita. La agencia de crédito con la que se ponga en contacto debe informar a las otras dos, y las tres incluirán una alerta en sus respectivas versiones de su informe.
