Steps You Can Take to Help Protect Your Information

We encourage you to remain vigilant against identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity.

Under U.S. law you are entitled to one (1) free credit report annually from each of the three (3) major credit reporting bureaus. To order your free credit report, visit annualcreditreport.com or call 1-877-322-8228. Hearing-impaired consumers may access TDD service at 1-877-730-4204. You may also contact the three (3) major credit bureaus directly to request a free copy of your credit report.

You have the right to place a “security freeze” on your credit report at no charge. A security freeze prohibits a consumer reporting agency from releasing information in your credit report without your express authorization and is designed to help prevent credit, loans, and services from being approved in your name without your consent. You may also temporarily lift or permanently remove a security freeze at no charge. Please note that a security freeze may delay, interfere with, or prohibit the timely approval of any later request or application you make for a new loan, credit, mortgage, or other account involving the extension of credit. To place, temporarily lift, or permanently remove a security freeze, please contact the major consumer reporting agencies listed below:

Experian P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html	TransUnion P.O. Box 160 Woodlyn, PA 19094 1-888-909-8872 www.transunion.com/credit-freeze	Equifax P.O. Box 105788 Atlanta, GA 30348-5788 1-800-685-1111 www.equifax.com/personal/credit-report-services

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

As an alternative to a security freeze, you have the right to place an initial or extended “fraud alert” on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven (7) years. Should you wish to place a fraud alert, please contact any one of the agencies listed above.

The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint. You can obtain further information on how to file such a complaint using the contact information above. You have the right to obtain and file a police report if you ever experience identity theft or fraud. Please note that, to file a report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement and your state Attorney General.
