RE: Notice of Data Breach

Dear Sample A. Sample,

Eureka City Schools ("ECS") is writing to inform you of a recent data event that may affect certain information related to you. This letter includes information about the matter, our response, and resources we are making available to you.

What Happened? On September 25, 2026, we identified unusual activity within our network environment and quickly worked to contain the activity. Thereafter third-party computer specialists were engaged to investigate and determine the nature and scope of the activity. After significant efforts by all involved, the investigation determined that as part of the activity, certain files were accessed on September 25, 2026, within a small subsection of our network environment separate and apart from where student data is stored. After the scope of the unauthorized activity was confirmed, we engaged additional specialists to complete a diligent review of the relevant data to determine the types of information contained therein and to whom the information related to assess potential notification obligations. Such review was completed on October 20, 2026. Once all necessary information was confirmed, we thereafter worked to provide notification to relevant individuals as quickly as possible.

What Information Was Involved? The categories of information related to you identified in connection with this matter included your name and Social Security number.

What We Are Doing. Upon identifying the activity, our priority was to engage subject-matter specialists to ensure necessary steps were taken to ensure there was no ongoing concern. We also notified the relevant state regulators. Once the information that may have been impacted was confirmed through the investigation and review, we worked to provide this notification to relevant individuals. The obligation to safeguard information in our care is of paramount importance to ECS, and in response to this matter, we have taken steps to further enhance our existing cybersecurity infrastructure, as well as implemented additional policies and procedures to minimize the reoccurrence of future similar events.

Other Important Information. Additionally, out of an abundance of caution, we are offering you access to 12 months of credit monitoring and identity protection services through Experian at no cost to you. Please understand that due to privacy laws, we are not able to activate these services for you directly. Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert, a business is required to take steps to verify the

consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:

Additional Information

You can further educate yourself regarding identity theft, fraud alerts, credit freezes, and the steps you can take to protect your personal information by contacting the credit reporting bureaus, the Federal Trade Commission (FTC), or your state Attorney General. The FTC also encourages those who discover that their information has been misused to file a complaint with them. The FTC may be reached at 600 Pennsylvania Ave. NW, Washington, D.C. 20580; www.identitytheft.gov; 1-877-ID-THEFT (1-877-438-4338); and TTY: 1-866-653-4261.

You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement, your state Attorney General, and the FTC. This notice has not been delayed by law enforcement.
